Playbuilding Class!

Join us for this exciting enrichment session, where we'll create a short performance from virtually nothing! Our playbuilt play will be a process beginning with dramatic games and improvisation. We'll also create our own costumes, props, and backdrops. Our young thespians experience the excitement of performing for a very appreciative audience of family and friends on our final day of class!

Grades: 2-6

Fee: \$144

**Dates: Tuesdays Sept 27-Nov 22
