UpCycled Art Class!

Don't miss this chance to explore unconventional-ly creative ways to reduce, reuse and recycle by making eco-friendly original art! Using recycled and repurposed materials, we'll design one-of-a-kind, upcycled creations. Our open-ended, "green" projects give you the opportunity to explore hands-on and creative ways to preserve our precious environment!

Grades: K-6

Fee: \$144

**Dates: Thursdays Sept 29-Nov 17
