NOURISH THE BUDDING MINDS

STEM Clubs

Experiment ♦ Build ♦ Invent ♦ Enjoy

Lees Corner PTA Sponsored After School Clubs

Star Wars® Stop Motion Animation (Grades K-3)

Learn to create your very own Star wars movie! Build and create props using star wars legos and have fun bringing them to life! Students learn basics of stop motion using a camera, learn editing and narration. They enjoy creating storyboard, props, backdrops, and much more. Students are welcome to bring in additional star wars props. At the end of the class, the movies are uploaded to YouTube to share with family and friends.

Class: Thursdays; Feb. 1st – Mar. 8th

Class time: 3:45pm - 4:45pm; Duration: 6 weeks

Fee: PTA member cost: \$110; Non member cost: \$120

Star Wars® 2D Digital Animation (Grades 4-6)

Like doodling? Make your doodles come to life using digital software in our animation class! Learn animation techniques, editing, using different camera angles, backgrounds, music and sound recording and enjoy creating your own movie. At the end of the class, movies will be uploaded to YouTube to share with family and friends.

Class: Thursdays; Feb. 1st – Mar. 8th

Class time: 3:45pm - 4:45pm; Duration: 6 weeks

Fee: PTA member cost: \$110; Non member cost: \$120

Little Einstein Explorers goal is to Motivate and inspire children to be long-term participants and future contributors to STEM!

For over 6 years, Little Einstein Explorers has been a partner to the Lees Corner ES community, providing enriching STEAM (Science Technology Engineering Art and Math) after school clubs. Our popular clubs at Lees Corner include Lego® Robotics, 2D Animation, Stop Motion Animation, Minecraft Engineering, Coding/3D Game Design, 2D Game Design, Minecraft Command blocks, Minecraft Modding, and Fashion Design. We have something for everyone! Feel free to reach out to us with any questions!
