

# Lees Corner Chess and Coding Clubs Winter 2018

Sponsored by the Lees Corner PTA

**Chess Club** is taught by experienced Silver Knights instructors using a curriculum developed by National Masters. Each weekly session is a mix of learning and play. Playing chess is a great way to develop a child's critical thinking skills, sportsmanship, and patience — all while having fun!

When you're coding with Scratch, the only limit is your imagination! Scratch is designed and maintained by the Lifelong Kindergarten Group at the MIT Media Lab. What will you create?
